"The Word of our God  
shall stand forever."

Isaiah 40:8

A black and white photograph of a forest path, with a large white decorative overlay on the right side. The overlay features a stylized swirl and a line that curves around the text.

In all thy ways  
acknowledge  
Him and He  
shall direct  
thy paths.

# *Dedication*

Mrs. ANNIE L. HILLSON

To Mrs. Annie L. Hillson—

Whose constant prayer on behalf of staff and students has meant more to the testimony than titles and endowments—we express our deep respect.

Praying the Briercrest Bible Institute into existence, Mrs. Hillson also served on the teaching staff during the early days. Her visits to the campus remain a benediction. They remind us of what God has done in answer to a trusting soul. In her honour we dedicate this Optic.

## *Sons and Daughters at Caronport*

The men that God uses are men of principle who believe in God, their Saviour. Their faith is based upon the Bible through a first hand experience. They know what they believe and why. They know Him in Whom they believe.

They are also men of purpose. Without purpose men drift with the tide. They bob up and down the waves of the sea with no port in view—just driftwood. But men of purpose find anchorage in storm. They move on toward a fixed goal. Without purpose that goal cannot be reached.

Moreover they are men of prayer. This fact stands out clearly in all their lives. They have regular prayer, spontaneous prayer, and fellowship with others in prayer. Right here we touch on the secret that enables them to reach their purpose. Prayer acknowledges human limitations—man's weakness and Divine sufficiency—God's enabling strength. Prayer

brings into operation the power of God to conquer and press ahead.

Equally so they are men of perception. True insight is a gift but such appears to have been given to men of persuasion, purpose and prayer. What a grand gift this is to the Christian Church—to have in its ranks men of understanding.

And men of power. Men who have power with God and power with man. This is at first apparent in smaller responsibilities which becomes more evident as major duties are entrusted.

Our age needs men who are above it. Men who are not driven by it, but who understand it and guide it. Men in whom is an excellent spirit. Such honour their God and bless their fellowmen. Choose then to be men of principle, purpose, and prayer and you will become men of perception and power used of God.

## *Fellow - Students*

We have enjoyed another year of fellowship in the presence of our Lord Jesus Christ. For He is in our midst, Whom, having not seen, we love. As High School students and Bible School students we have lived, played, and worked together as members of one family. Under the training of our teachers, we are learning to "walk as children of light" in our relations with one another, and with those whom God has appointed over us. We have sat together under the Word of God, while the Holy Spirit of God has applied the Word, that our hearts might be full of light.

II. Corinthians 3:17, 18, enables us to adjust, "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty. But we all, with unveiled face beholding as in a mirror (or reflecting as a mirror) the glory of the Lord are transformed into the same image from glory to glory, even as from the Lord of the Spirit." This explains how we can obey the

command. "Be ye transformed by the renewing of your mind." And now we understand the process which, if yielded to, will produce the mighty changes which are expected in our lives, where the Lord is enthroned.

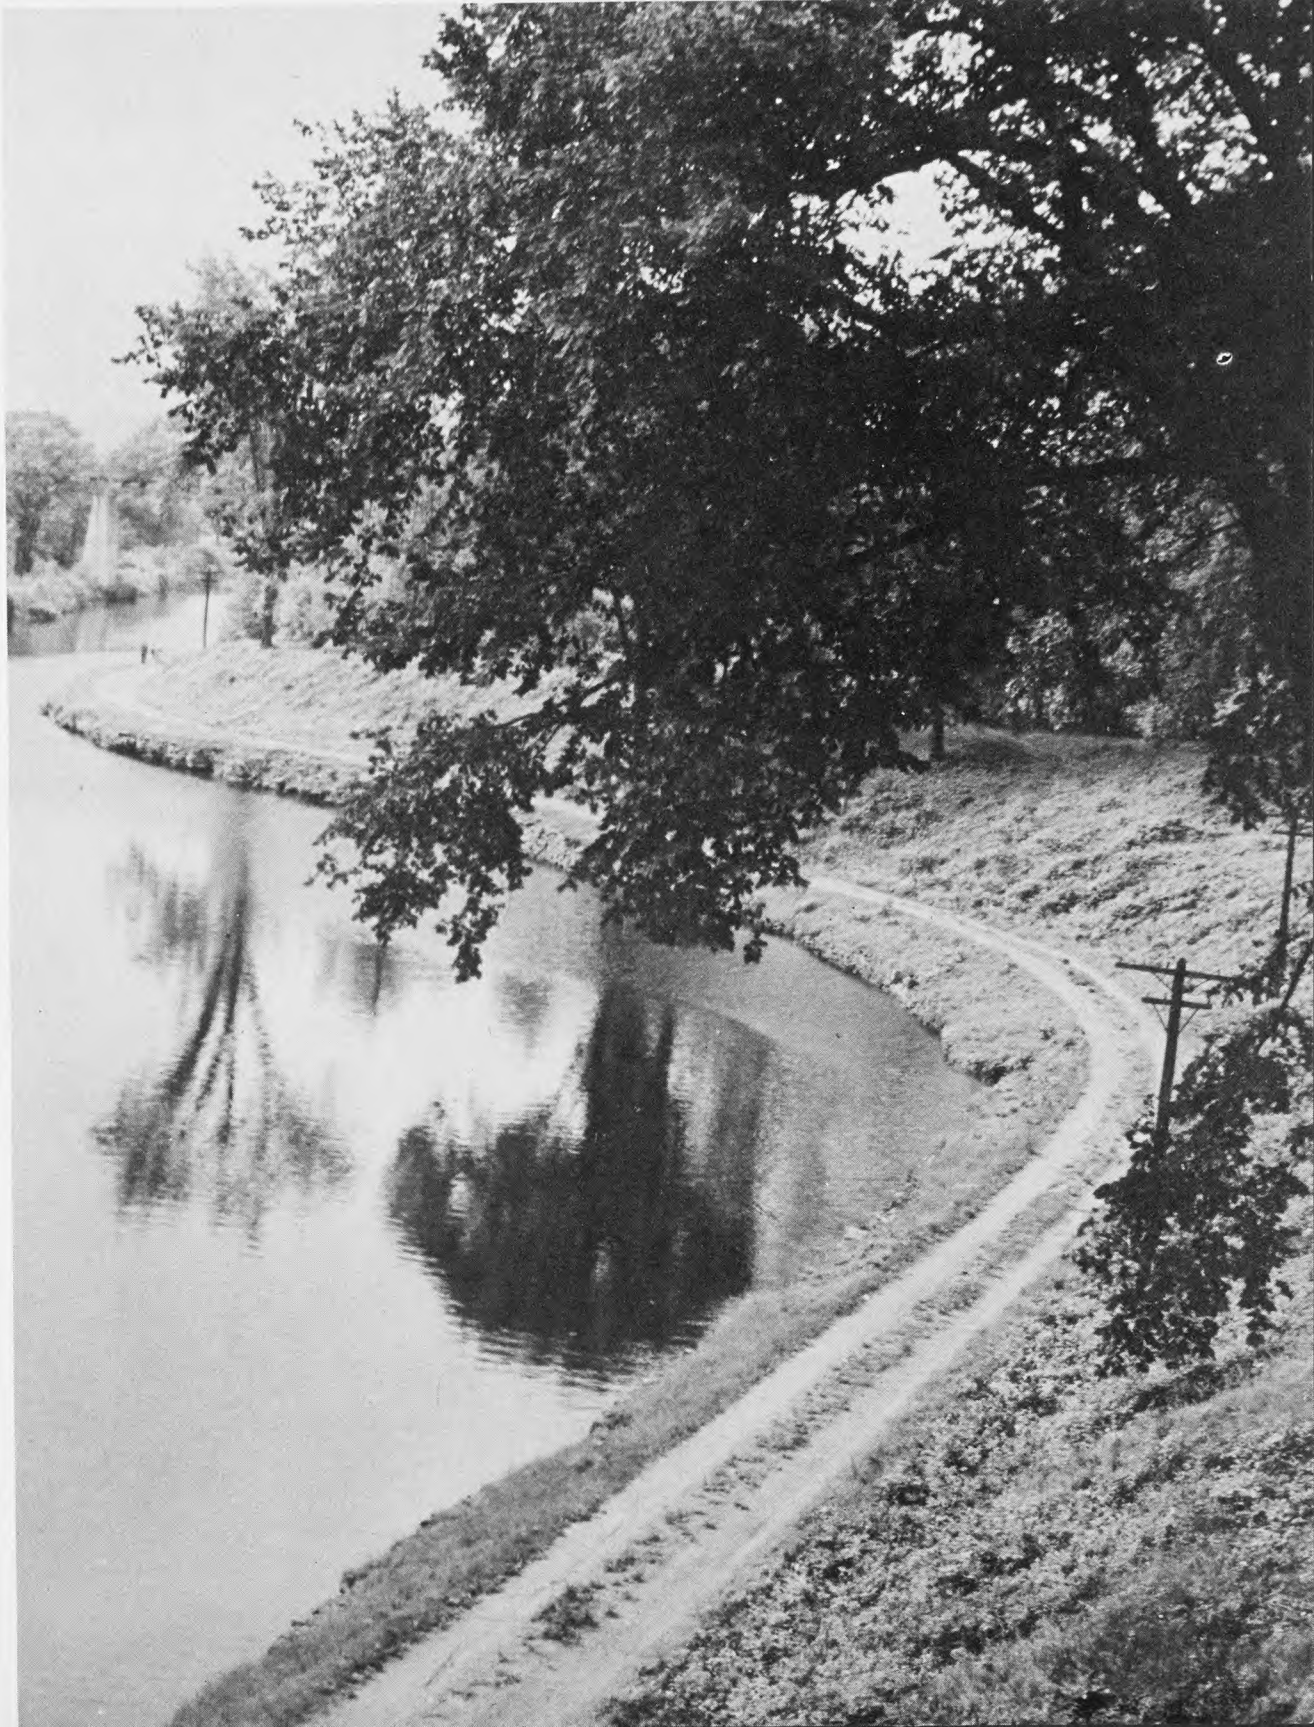

We all acknowledge, on looking objectively at our lives, that we need to be changed. But what shall we resemble? We become like those whom we habitually admire. Through the power of the Spirit, our character begins to reflect the glory of our Lord more and more accurately. Through close communion, these glories of His character become part of us, so that Christ-like conduct is not "second-nature," but "first nature." This process continues until the final day when, "we shall be like Him, for we shall see Him as He is." How thrilling that "the path of the just is as the shining light, that shineth more and more unto the perfect day."

## *Social Life at B.B.I.*

Say! What is this sauntering down the hall? Man, that is a third year student,—a senior, resplendent in crimson ear muffs, Arctic parka, and fur-lined overshoes. For the Seniors this brings memories of the hike to the old barn, when studies and examinations were forgotten, and everyone romped, gleefully across the snow blanketed fields, fellowshiping in an outing of fun and frolic.

Skit night is another occasion of frivolity and laughter. The classes struggle to outdo each other with skits portraying school life, space life, or pioneer life; all to the amusement of the spectators. Many talents hitherto unknown are brought to light in the skits.

These are just two of the many social activities

of the students at B.B.I. There are recreational socials, skating parties, tobogganing parties, and wiener roasts. It is certain that if any student complains of boredom it's their own fault, for the fun is here for all to enjoy.

The social life does not consist entirely of the above, as the students' personalities are being moulded in the dormitories, dining hall, and chapel. Self discipline must be exercised by all in each aspect of school life. It is through eating, playing, working and praying together that social graces are developed thus enabling young people to fit into society and contribute their utmost to the cause and testimony of Christ.

## *The Spiritual Life of B.B.I.*

"Love led the Saviour, in days long ago, down to earth's darkness, its sin and its woe; seeking the lost ones, His mercy to show, love led Him to Calvary... seeking the lost, at the uttermost cost, love led Him to Calvary."

This same great God who loved us so, transformed a student body of eleven, into one of six-hundred and twenty-five, in only twenty-five years! 1935 was the beginning, and in this year of 1960, Briercrest Bible Institute stands firmly and unwavering on the Saskatchewan prairies.

There is no teacher but Christ. Through consecrated men and women, He teaches in every classroom, tenderly strengthening our feeble faith, pleading for labourers in prayer and service, for now, and in the days ahead.

A mutual love for the Saviour has drawn the entire student body into close fellowship with one another. Every Saturday night finds each young person bowed before his Maker, pouring out his heart in prayer on behalf of the needs of his fellow-students. "Ask, and it shall be given you,... for everyone that asketh, receiveth"... Matt. 7:7,8. Through these prayers loved ones have met the Saviour, material needs have been met, and God has been glorified.

The need of prayer for those in active foreign service is realized through weekly Missionary prayer bands involving lands around the globe. Our hearts are thrilled, for as we ask, He gives... and gives abundantly!

In rebuking Pilate, Jesus said, "Thou couldst have no power at all against me, except it were given thee from above"... John 19:11.

... And the Lord said unto the servant, go out into the highways and hedges, and compel them to come in, that my house may be filled. Luke 14:23. In obedience to his command, we His servants have gone out into the highways and hedges of Saskatchewan; to Eyebrow, to present the Lord Jesus Christ to the young people; to Tuxford, ministering the Word to the elderly folk; to Moose Jaw and surrounding districts, to tell the little ones of Jesus, in the Bible Clubs; and to the Training School in Moose Jaw, where both young and old alike eagerly wait for the gospel message brought to them week after week.

His Word is going out, the lost ones are hearing, but are there results? His command was 'go', and the result? "My house shall be filled!" His promise to us

is "My Word shall not return unto me void," Isaiah 55:11.

How we praise Him for His faithfulness! By His Spirit, His Word had burned into hearts; transformed lives, produced growth within the Christian, and has made all who have heard, to face the Christ of whom we preach. Yes, His house is being filled both here on earth, and in heaven.

Is this not the reason for our existence? Is it not that Christ be preached?

Blessed be the Lord God of Israel from everlasting to everlasting: and let all the people say, Amen. Praise ye the Lord. Psalms 106:48.

The question has often been raised regarding the role played by sports in student life at B.B.I.

Sports are organized to provide relaxation and exercise and to teach self discipline. The motive of the sports program is to train young people to honour God with their physical abilities as well as with their academic.

Caronport youth has proven that it wants and needs some athletics. With this in mind the school has provided a spacious gymnasium, hockey rink, curling ice, and a combination baseball and football field.

The man who shoulders the responsibility of training the students in physical education is Mr. Ben Peters, who graduated from the Institute and went to

the University of British Columbia, where he majored in Physical Education.

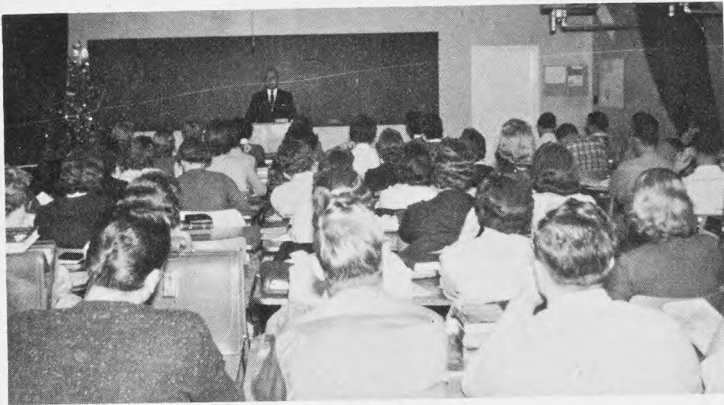

Teams from outside points often challenge the All-Star teams of the school to games of hockey, basketball, volleyball, and softball. Thus far the All-Star teams of the school have been victorious far more than they have been defeated. This speaks well of the athlete's ability to play hard aggressive games and yet leave a good testimony of sportsmanship and Christianity.

The statement of a great leader beautifully sums up the attitude of the Institute towards Sports. "Sports properly directed, develop character, make man courageous, a generous loser, and a gracious victor. Sports refine the senses, give us intellectual penetration, steel the will to endurance, and better qualify the student for use in God's service."

## ... A SIGN OF GOOD NEIGHBORS!

---

**CO-OPERATION** is more than a way of doing business. It is a method by which men of goodwill work together, own together, and share together — helping one another for the common good.

**CO-OPERATIVES** are owned and controlled by the people they serve. Membership is open to all regardless of race, creed, or politics.

- **CO-OPS** do not seek profits, but do provide goods and services to their members "at cost."
  - **YOU** pay only prevailing prices for what you buy from a Co-op.
  - **YOU** are both the owner of the business and the user of its services when you are a co-op member. If the amount you pay for the goods is greater than the cost of doing business, the "extra" will be returned to you as an owner!
  - **YOU** can become a co-op member! In Manitoba and Saskatchewan there are almost 500 consumer co-ops where you would be welcomed as a member!
